To regain access, ensure that cookies and JavaScript are enabled before reloading the page. For using the online learning centre, click on the navigation bar on the left to access course-wide content like diagnostic quizzes and an internet primer. You can also choose a chapter from the pull-down menu to access chapter-specific content such as quizzes and writing exercises. To make your PDF publications interactive, use our Google-optimized e-Paper software or copy the chapters you need. For some MindTap courses, activities are only available through apps in the toolbar, but for those that aren't, you can click on an activity in the learning path and turn on show correct answers.
